Did You Know?

Housecleaning products may pose a threat to women with asthma.

During a 12-week study, they compared cleaning-related health effects in women who did and did not have asthma and found a higher number of lower respiratory tract symptoms among the asthmatic women.

Be an Eco-Hero

When I think about changing the way I live in order to help save the planet, I wonder, "What more can I do?" I already live in the dark, shivering, tripping over piles of recyclables. But after a little research, I realize that there are so many simple things I can do.
