Dear Friend of Green Cleaning Products LLC,

Greetings – Once I found an article on how you can **make money (\$\$\$)** recycling, I couldn't wait to share it with you. There is also an awesome "directory" of how to recycle over a hundred items in our lives. This is a fabulous resource for you.

I am also very excited about the release of our green cleaning products. The most amazing and powerful is the new "[Super Stain Remover](#)". Are you seeking a green way to remove permanent marker or ballpoint pen ink from all kinds of surfaces? This eco-friendly, renewable and sustainable alga-based product works!

**Did You Know?**

The amount of fragrance that goes into the average household in America is absolutely astounding. It's found in all sorts of products but one of the most common is dryer sheets. As it turns out, dryer sheets are absolutely loaded with artificial fragrance. In fact, they serve more of a function of perfume sheets than any other practical function in the dryer.
